

2025 NeuroAcademy

A Summer Enrichment Program for High School Students

July 7, 2025 – July 25, 2025

July 28, 2025 – August 15, 2025

10:00 am - 4:30 pm, Monday to Friday

Burke Neurological Institute, White Plains, NY

This 3-week hands-on training course will introduce students to fundamental biological based neuroscience at the molecular and cellular levels. Modern laboratory techniques will be explored while critical thinking is applied to the scientific process and bioinformatics.

Tuition: \$4,000

(Small Class Size, 15 to 18 Students)

Content will cover 3 main concept areas.

Concept 1: Molecular Biology and Genetics

Concept 2: Cell Biology of the Nervous System

Concept 3: Computation Biology in Basic and Clinical Research
