

## Your exclusive invitation! What's the latest in **neurorehab**?

Hear how Burke Neurological Institute has implemented the EksoGT into their rehabilitation practices by joining us for an interactive program discussing exo-skeleton technology for stroke and spinal cord injury rehabilitation.

The event will be facilitated by Amy Bialek, MSPT, from Burke Neurological.

NOVEMBER

15

5:00-7:00PM EST

Institute

The science hope demands

### Clinical Discussion

**Amy Bialek, MSPT**, will discuss the clinical application of the EksoGT.

Presentation: 5:00-6:00pm

### EksoGT™ with SmartAssist™

Following Amy's presentation on the EksoGT will be a demonstration of the wearable exoskeleton.

Live demonstration: 6:00-7:00pm

**Free parking will be available and light refreshments will be served!**

### Space Is Limited

Schedule a time for your team to see the EksoGT in action. Contact **Andy McGuigan** to reserve your time at [AMcguigan@eksobionics.com](mailto:AMcguigan@eksobionics.com).

### Event Address

Sheraton 4 Points-Plainview  
333 S. Service Road, Plainview, NY 11803
